Subject: Re: Meeting in NY

Good afternoon.

Well noted. Going to pass it to Viktor and his staff.

As for the Hungary - we have just successfully finished our meeting with Peter in Vienna. All the concerns and disagreements are resolved. The new agreement will be signing by the end of the next week. As you might remember, we had previously agreed with Peter to have an independent person whose judgment is obliged for the parties in case they are failed to reach an agreement, regarding with the phase 2 remuneration figures payment (0.5%). I remember and do understand your position not to indicate your name in the text of the agreement. What if I suggest to indicate you as the designated person in the amendment to the service agreement between Renova and PeterCo, to indicate there that it is liable only in case you've signed it, pass all the originals to you for the sake of your comfort? Pls respond to it.

As for the Rome - this morning I called David and we've agreed to have a meeting somewhere in Europe in the nearest weeks. Going to discuss with him the Rome project. Other projects are out of interest but can be discussed from the tactic points of view.

Thanks for the materials.

Yours, Yakov

Hi Yakov

I prefer either July 16th or July 17th. Could also be July 15th.

Any developments re H ? Or Rome?

I'll send you today some material we've got from Prof. Valori re a steel industry company.

Try to respond to it (interesting/not interesting) quickly.

Looking forward to see you.
